YEARS

Friday April 22nd
09:00 — 13:00 hrs
Auditorium 0.04

Mini-Symposium on

Bioinspired Materials

MINI-SYMPOSIUM PROGRAM

Please check the website (www.cryotem.nl) for registration and parking possibilities

- 9:00 - 9:15 Arrival and Registration (with coffee)
- 9:15 - 9:20 Welcome
- 9:20 - 10:00 **Peter Fratzl** (Max Plank Institute, Germany)
Active Materials: from materials science to biology and back
- 10:00 - 10:40 **Fiona Meldrum** (University of Leeds, UK)
Bio-Inspired Approaches to Crystals with Target Properties
- 10:40 - 11:00 Coffee Break
- 11:00 - 11:40 **Peter Vukusic** (University of Exeter, UK)
Evolutionary Photonics: taking optical inspiration from nature
- 11:40 - 12:30 **Joanna Aizenberg** (Harvard University, USA)
Novel Antifouling Materials
- 12:30 **Lunch and opening of Dare & Dream**
